*
Introducing the revolutionary, unique and ultra-speedy method of taming and conditioning hair. With this anti-frizz treatment, your unruly hair will be tamed into a sleek, smooth, straight mane of manageable, weatherproof, glossy locks. Peptame will release, soften and relax hair strands by reducing up to 60% of the curl naturally occurring in your hair with the most brilliant results. Made from sugarcane protein and glycolic acid, derived from nature (used in facials), with no formaldehyde. No smell, fumes, smoke. Safe on bleached hair. "Peptide" proteins formulated to "tame" even the most untamable of hair types and lasts up to 8 weeks.

OLAPLEX		OLAPLEX	
No.2 Bond Perfector	25	Step-Two Treatment For All Hair Types	50
<i>The second step of the Olaplex system - A bond multiplier applied to find more bonds and cross link them back to repair or protect virgin or chemically treated hair.</i>		<i>A single ingredient chemistry, that is free of silicone or oils, that links broken bonds in the hair during and after chemical services making them stronger than they were before.</i>
